

FRANTICS Autumn Term 2018

Welcome back to a new year of Frantics! We have planned a very fun packed term for you which we hope you will enjoy.

This term will have two events taking place away from the church. We will have letters out about these in due course, letting you know the details, such as where to meet, and at what times.

Some events will be familiar to you, as well as some completely new ones. If you have any friends that you think might be interested, then invite them along.

Finally keep your ears peeled for details about when we will be starting back after Christmas! We will be putting a poster up in the church window in the weeks leading up to us starting back.
